## ACCESS2INNOVATION

As a non-profit organisation, **access<sup>2</sup>innovation** aims to strengthen **knowledge** and **development**, through commercial sustainable solutions, targeting developing countries and relief aid.

**Vision:** Create green growth jobs in Denmark and East Africa.

**Strategy:** Establishing access<sup>2</sup>innovation platforms in Denmark and East Africa, by:

1. **Facilitate innovation partnerships** between NGOs, the private sector, academia and public institutions
2. Encourage and secure access to **public- and private risk-capital**
3. Provide **research-based knowledge** in co-creation, partnership-driven business development and promoting innovation-based research focusing on "Grand Challenges"

**The objective:** Creating 30 new commercial partnerships, involving more than 100 Danish SMEs, NGOs and researchers.
